### Description

DHP 1094835-400 / Clarinet / BOOK+CD / Trio Flex est un concept malin qui offre plusieurs possibilités de jeu. Chaque pièce est enregistrée dans trois versions : une version intégrale, jouée par un vrai combo, suivie de deux versions play-along qui correspondent à une version combo seul et une version combo avec les les voix 2 et 3. Peter Kleine Schaars a arrangé dix morceaux orientés grand public, de styles et de genres variés, pour trois instruments à vent. Il y a plusieurs options de jeu : jouer la ligne mélodique avec l'accompagnement du combo seul, jouer la ligne mélodique avec la version combo + voix 2 et 3 ou encore former un trio avec deux amis jouant du même instrument et swinguer avec les musiciens du combo. Quelle que soit l'option choisie, vous ferez sensation auprès du public!
